Classes start Monday, 1/24

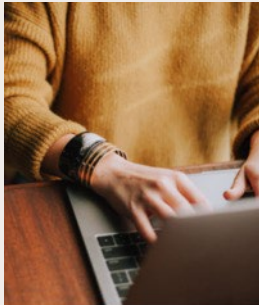

We miss you and can't wait to see you back on campus!

Testing will continue to be conducted for ESF by **Syracuse University**. We are so incredibly thankful for this resource! Thanks, neighbor!

For the safety of others, do not go to the SU Testing Center if you have symptoms. If you believe you've been exposed or if you're experiencing COVID-like symptoms take the steps outlined in our guidance.

No appointment is necessary, but check the SU Stay Safe site for the most current hours of operation!

This is a **saliva test**, so that means no eating, drinking, toothbrushing, mouth washing, gum chewing, or tobacco using 30 minutes prior to testing.

All results will be shared **via email from SU**. If you test positive, ESF's COVID-19 Coordinator will contact you directly with info on isolation, reporting, and more.
